# God has a calling on your life Will you answer the call?

In the previous weeks, we learned how God created us, restored relationships, gave grace and redemption, **and** that He has a call on the lives He created. We believe God has a calling on your life but the question remains: Will you answer and...HOW will you respond to His call?

There is POWER in simplicity. Be it one verse God wants YOU to meditate on, or the entire passage, **we believe He WILL speak to you through the power of His Word and the community He has given you here at Fearless Women.** We pray for you daily - That you walk in the calling God has given you, but first...let's discover your identity in Him.

## Week One

Read Genesis 12:1-3 and write down anything that stands out to you.

.....

.....

.....

.....

**DON'T  
FORGET**

We encourage you to research the definitions of words that stand out to you, discover commentary from biblical scholars and seek guidance from your sisters within our Fearless Community.

# Week One

Read and discuss with your community:

- Reflect back on Genesis 12:1-3. God calls Abraham to be a blessing to others. **As image-bearers, how can we live out our calling to bless those around us?**

.....

.....

- How does God’s promise to Abraham shape our understanding of His image in us?

.....

.....

.....

- Read Genesis 12:4-9. Reflect over the passage and write what stands out to you below.

.....

.....

.....

# Week One

Read and discuss with your community:

- Is God currently asking you to take a leap of faith or trust Him in a season where uncertainties remain? If so, write it below.

.....

.....

- How did Abraham respond? **With active faith. His faith wasn't stagnant.** He believed in the power and promise of the Lord. What can you lose by trusting God? What can you gain? Write it below.

What you lose:	What you gain:
----------------	----------------

**Sister, remember** 

What you gain, is so much more powerful even if it doesn't look that way at first. It's okay to feel fear. It's an emotion. But it's not okay to live in it. In fact, we have over 70,000 thoughts that run rapid in our mind a DAY. Those thoughts create neuropathways that direct our steps. **But there is a verse that God calls us to live out. Look up Psalm 37:23 and write it below.**

.....

.....

.....

# Week One

Read and discuss with your community:

God calls us to look back on His faithfulness so we can walk in the FULLNESS of His calling. **Look up the following verses that can remind you of God's faithfulness, write them down and declare them aloud.**

## **TAKE HEART**

- A bible verse for when you don't feel worthy:

**2 Timothy 2:13**

- A bible verse for when you need strength:

**Isaiah 40:29**

- A bible verse for when you need provision:

**Matthew 6:28-31**

- A bible verse for when you need to be reminded of His love:

**Psalms 118:1**

- A bible verse for when you need encouragement to trust in God:

**Psalms 34:8**

# Week Two

## One-on-one time with God:

### **Sister, this is your time:**

Over the course of this next week, God wants you to reflect on how He will never leave you, nor forsake you - despite the challenges that can be overwhelming. Pray for the Lord to open your eyes to see, ears to hear and heart to receive as you continue Genesis 12.

- Read Genesis 12:10-20 and write down one-two things that stand out to you:

.....

.....

.....

.....

- Genesis 12:10-20 shares of the deceit of Abram (later Abraham) What do you believe was the root of Abraham's lie and why did God **still protect his wife, Sarai (later Sarah)?**

.....

.....

.....

- Read and reflect on Hebrews 13:5 and write it down below.

.....

.....

.....

# Week Two

*One-on-one time with God:*

## Remember:

Just as God protected Sarah, He ultimately sent Jesus to protect and save us from our greatest need—**sin and separation from God. Jesus' life, death, and resurrection serve as the ultimate reminder of God's faithfulness. His love is steadfast.**

- Look up 1 Corinthians 15:58 and write it below.

.....

.....

.....

- Look up the definition of steadfast and write it below.

.....

.....

.....

- Even when people fail us or act out of fear, God remains faithful and steadfast in His promises. **How can we display His image in your life today? Is there a specific area God is calling you to be steadfast, as read in 1 Corinthians 15:58?**

.....

.....

.....

# Week Two

*One-on-one time with God:*

## TAKE A CLOSER LOOK

As we continue to read the Word of God, He calls us to walk in His truth - to write it on our hearts (Proverbs 3:3-6). Read and reflect over the following passages, the sacrifice God gave through His son Jesus for you, and take a closer look into your heart today.

- Read John 19:28-30. Write what stands out to you.

.....

.....

.....

- Read John 20: 19-22. Write what stands out to you.

.....

.....

.....

## WHERE IS YOUR HEART TODAY?

After reading how Abraham lied out of fear, then God's continued faithfulness in protection over Sarah, **later to find out God is even more faithful by sending Jesus** - we discover the true character of God. It enlightens us to be able to walk in the image He gave us. Pray and ask yourself the following questions by taking a closer look:

# Week Two

*One-on-one time with God:*

## TAKE A CLOSER LOOK

- In what areas of your life are you tempted to act out of fear rather than trust in God's faithfulness?

.....

.....

.....

- How have you experienced God's protection in moments when others may have let you down?

.....

.....

.....

- How does the life, death, and resurrection of Jesus show God's ultimate faithfulness toward us, even in our failure?

.....

.....

.....

- In what ways can you better trust God's provision and protection today?

.....

.....

# Week Two

## **Honesty Hour:**

Just like Abraham, we act out of fear. ***It's our human nature, but it's not God's hope for us.*** We can't become accustomed to our flaws. Abraham's fear leads him to make an impulsive decision, one that dishonors his wife and compromises his integrity.

How often do we find ourselves in that same situation? It may not be as big as Abraham's lie. Maybe for you, it could be continual lies on repeat such as not following through with a promise or word you made, or lying to protect yourself in the workplace, with family or friends. This is your time to release it to the Lord, and to ask for His strength and help to walk in His image.

***Write your prayer here***

# Week Two

## TAKE HEART

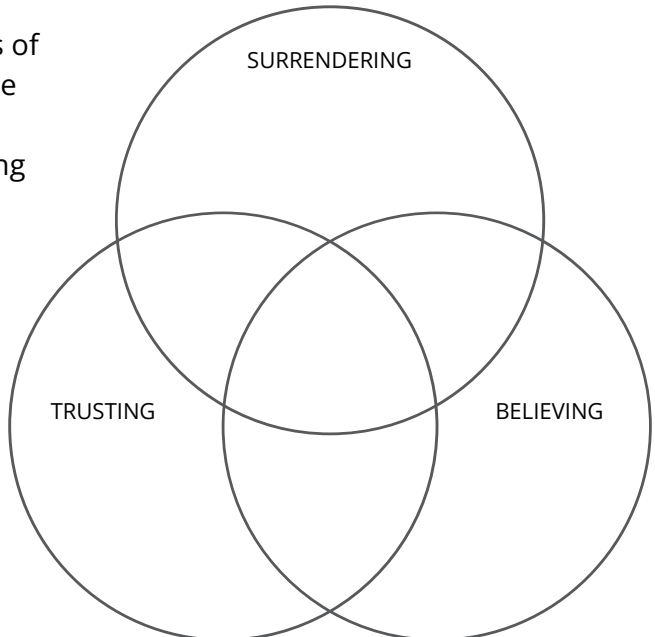

Abraham's story shows us God's grace despite our failures, and Jesus' story magnifies that grace. Through Jesus' sacrifice, we see that God's faithfulness isn't limited by our sins. **In fact, His faithfulness is seen most when we are weakest.**

Just as God protected Sarah despite Abraham's flaws, **He protects and redeems us because of His faithfulness, not our perfection.** Both stories highlight God's unshakable faithfulness! Hold on to this hope, seek God's redemption He offers through Jesus, ask for strength and look for guidance to follow His plans in community!

Write the areas of your life you are

- Surrendering
- Trusting
- Believing

***...with and in God!***
